## Skills

- Revit (Basic)
- Autodesk Inventor (Basic)
- Fusion 360 (Intermediate)
- CAD drafting and model Cleanup (Basic)
- Photogrammetry (basic)
- Blender (Intermediate)
- Project Management
- Project Development

## Education

2022-2025

Auckland University of Technology

Bachelor of Creative Technologies

## Certifications

Certified Information Manager Level 3 Expert Course

Issued by: Plannerly

Certification ID: #0d4c358331090a33

## Languages

- English
- Spanish

## Profile

Creative Technologies graduate with previous internship experience supporting Revit models, laser scanning and CAD documentation within a BIM environment. Certified Level 3 Information Manager under ISO 19650 (Plannerly). Developed foundational understanding of structured information workflows, digital coordination and model-based delivery. Seeking an entry-level opportunity to continue developing practical experience in Information Management and BIM coordination.

## Experience

2022 - 2022

AsBuilt

### Internship

- Assisted with Revit model updates under supervision
- Supported laser scanning and photogrammetry processes
- Contributed to site mapping and small CAD drafting tasks
- Helped organise digital files within structured project folders
- Gained exposure to collaborative BIM workflows

2022 - Now

Crystal Mountain

### Ride operator

- Operate within strict safety and operational procedures
- Conduct routine inspections and identify mechanical faults
- Perform minor maintenance tasks including part replacement and ride adjustments
- Troubleshoot operational issues to minimise downtime
- Communicate clearly with supervisors regarding safety or equipment concerns
- Manage high visitor volumes while maintaining situational awareness

2018 - 2021

Thompsons Foods

### Food production and Packaging

- Worked within regulated hygiene and quality control standards
- Maintained efficiency in high-volume production environments
- Performed physically demanding tasks while adhering to safety procedures
